

The Homeless Assistance Leadership Organization, Inc. is grateful for the following individuals and businesses who have helped establish our *Journey to Self-Sufficiency Endowment Fund.*

Because of their generous financial contributions, HALO's endowment fund is now a strong and healthy reserve offering added viability and validation to our efforts to end chronic homelessness.

HALO is dedicated to preventing homelessness by meeting shelter needs while identifying and addressing causes of chronic homelessness.

We are humbled by your show of support and faith in our mission.
